

Made to Order  
Portfolio  
Booklet

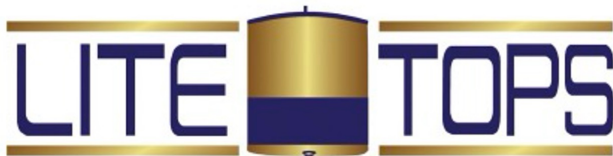

Welcome to the The LiteTops 2026  
“Made to Order” portfolio.

The following pages contain images of jobs sites where LiteTops and their designers worked in concert to create the perfect lighting fixture for that particular environment.

LiteTops will bring your vision to life with custom lighting, guiding you through a collaborative design process. From the initial concept to the final product, they'll blend great design, quality craftsmanship, and attention to detail to elevate any space.

All of the lighting shown was produced in Linden, NJ.
